

Tea/Coffee Brewer START UP Procedure

Foodservice Operations & Customer Service

Every Opportunity, Flawlessly Executed

START UP INSTRUCTIONS FOR BUNN TEA/COFFEE BREWERS

- **Make sure water is turned on**
- **Make sure the water filters are current**

1. Plug in the power cord but do **NOT** turn on power yet.
2. Make sure the spray head is **CLEAN**, in place and secure.
3. Place funnel in position with **NO** tea bags.
4. Turn on power and wait 20 minutes for brewer to heat up to optimal brewing temp.
5. After 20 minutes, brew without the tea bags. Complete 3 full brews and discard.
6. Put tea bag(s) in funnel and brew a normal batch.
7. Taste the product and make sure there is no off-taste.
8. If there is an off-taste, then brew one more batch and taste.
9. If everything taste great, then you are all set to serve your customers. If it still doesn't taste quite right, please call 800-241-2653 and place a service call.
